## THE 2009 PRESIDENT'S EVENT – AN EVENING AT THE CARLU

Friday, October 16, 2009

7:00 pm – 11:00 pm

Restored to its original '30s Art Moderne glory, The Carlu is once again one of Toronto's most popular destinations. Designed by renowned French architect Jacques Carlu and winner of numerous awards, The Carlu is one of the highest profile Heritage Restorations in Canada, and is ranked as one of the finest surviving examples of the Art Moderne style anywhere in the world.

After a sumptuous dinner and drinks, wander this architectural treasure or dance the night away amid the rock and roll favorites echoing throughout the acoustical marvel that is the Concert Hall. Or if you prefer, march to a different drummer with the melodious strains of the jazz quartet performing in the dazzling Round Room.

AAOMS President R. Lynn White, DDS and his wife, Barbara, invite you to join them for a fun-filled evening of dinner and dancing at Toronto's famed The Carlu
