

**REQUEST FORM FOR COOLANT  
CMTS® 2009  
OCTOBER 19 – OCTOBER 22, 2009**

Dear Exhibitor:

When displaying your machines, don't you want them to operate at peak performance? **Chem-Ecol** coolants are non-foaming, machine & user friendly (chlorine free), aerospace approved and easy to maintain. Fill out and return this form **no later than September 30, 2009\*** and we will provide the following for free:

- fill your machines before the show
- top them off during the show

**Please note: we cannot fill machines during the show.** To order coolant removal, please check the box below.

***Display your machinery at the highest feeds and speeds with Chem-Ecol products!***
